TOTAL DEGREE CREDITS 98

Notes:

- Experience and proficiency with Microsoft Windows operating system is highly recommended for all IT courses. Enroll in IT 102 Windows-2 credits-if you do not have experience.
- Keyboard proficiency is required either by completing BT 100 or passing the keyboarding proficiency test administered by the Information Technology Department. For more information contact an IT advisor.
- Degrees and certificates are awarded upon completion of required courses with a minimum GPA of 2.0 or higher. ???

Prerequisites:

1. Eligibility for MATH 85 or completion of BA 075.
2. Eligibility for ENGL 095.
3. Enroll after completing at least 45 credits in the IT Program.
