

DEGREE WORKSHEET

Bachelor of Applied Science in Teacher Education – 40B

(Effective Fall 2020 – June 2022)

Student Name _____

Student ID# _____

This degree worksheet is designed for students admitted to the BAS program. Students interested in applying to a BAS program should work with their AA/AAS program/pathway advisor to complete their degree requirements and develop a plan to apply. It is recommended students review selective admission requirements and BAS program eligibility at www.yvcc.edu/bachelors, and connect with the BAS program coordinator/advisor several quarters prior to application. Completion of courses listed on this degree worksheet does not guarantee admission to the BAS program.

To complete the Bachelor of Applied Science in Teacher Education degree a total of 180 credits in specific categories must be successfully completed. It is highly recommended students meet with the BAS-TE program coordinator on a regular basis to be sure requirements specified in the degree are met.

BASED 404	5		
BASED 406	5		

BASED UPPER DIVISION CORE

- 93 credits are required
- A minimum grade of "C" or better is required in each upper division course
- Non-traditional credit not accepted in upper division courses
- *Elective courses for endorsement ECE

FOUNDATION REQUIREMENTS

FOUNDATION 27 CREDITS	CREDITS	GRADE	QUARTER

FOUNDATION REQUIREMENTS

- 27 Foundational Credits Required; BAS degree requires minimum of 180 credits
- Minimum 2.00 GPA required
- College-level credits (100 & above)
- No more than three PE activity credits may apply
- Non-traditional credits may apply; see coordinator/advisor
- Foundation electives are normally transferred from the AAS/AA or previous college credit

DEGREE REQUIREMENTS 180 CREDITS

- The BAS-TE degree requires 180 credits in courses numbered 100 or above in specific categories, including 60 credits of general education courses.
- All upper division coursework required as part of the degree program must be completed with a grade of "C" or better, in addition to an overall cumulative college-level GPA of 2.0.
- A maximum of 45 credits of non-traditional credit may be accepted in prescribed areas, see catalog for BAS non-traditional credit allowance.
- To meet YVC's BAS Residency requirements, a minimum of 45 credits must be completed at YVC. Out of the 45 credit requirement, 30 credits must be the upper division program coursework. Non-traditional credit may not be used to meet residency requirements.
- Bachelor of Applied Science (BAS) students follow the catalog in force the academic year they are accepted and enrolled into the BAS program, provided they remain continuously enrolled according to specific program enrollment standards. Returning BAS students who left prior to completion of their program must meet the program's graduation requirements as described in the YVC catalog at the time of re-acceptance and enrollment. BAS students may also choose to graduate under the official catalog in force when they apply for graduation.
- Application for this degree must be made by the student in the Registrar's Office.
- *Credit cannot be given for both ECON 213 and HIST 213 or PSYCH 230 and SOC 230; or ECON 205 and GEOG 205 or AGSCI 101 and BIOL 107.
