Second Degree Form

Student Information			
Student Name (Last, First)		CTCLink ID	
Student Email	Student Phone Number	Pathway	Program Code

THIS FORM MUST BE WRITTEN AND SIGNED IN BLUE OR BLACK INK, NOT PENCIL.

Please read the instructions completely: Your financial aid has been suspended because our records indicate that you have completed a degree program. **This form is only to be completed if you plan to continue at YVC.** For accurate calculation of your annual loan eligibility and for calculation of your new Maximum Time Frame, we need to document the exact number of college level units you have earned that apply toward your new degree. In order to continue with financial aid funding, you will need to ensure you abide by the following, in accordance with our **Satisfactory Academic Progress/Repayment Policy**:

- Maintain a quarterly and cumulative GPA of at least 2.0
- Maintain a quarterly and cumulative Pace of Progression of at least 67%. This means that your academic record must show that you have passed at least 67% of all units attempted. The following grades: W, V, F, NS, NC and "I" grades are not considered passing grades
- Must be able to successfully complete your degree or academic credential by taking no more than 150% (Federal Aid) of the units required to graduate your new degree.

To ensure that you are given full consideration for aid, please complete this form using the instructions given below:

1. **Please visit Registration to verify that you are correctly coded in the degree you are now seeking.**
2. Visit your Academic Advisor to determine how many of your total college level units apply toward your new degree.
3. Have the advisor or counselor sign off on this calculation.
4. Select your new program on the backside of this form.
5. Submit to Financial Aid for processing.

ENTER COLLEGE UNITS

Total College Units earned that apply to new degree _____ # Units

Total College Units left to complete new degree _____ # Units

Note: Total College units earned that apply to new degree plus the number of units the student has left to complete (with the exception of remedial courses) should equal the total number of units required by the program.
