To apply for Academic Renewal, the student must complete this Academic Renewal Petition and meet the following criteria:

1. There was an absence from YVC for at least one year.
2. The student is a current YVC student.
3. The student has subsequently passed two quarters of work at full-time status (12 credits or more) with a 2.0 GPA or better.
4. There is not a degree earned from any of the classes being petitioned for academic renewal.

Under academic renewal, grades for the quarter chosen and all quarters prior to the one chosen, will be changed to “No Credit”. All courses previously taken remain on the transcript, but the grade point average (GPA) is adjusted. Courses subject to this policy will not count toward completion of the student’s program of study. All courses will continue to count towards the student’s financial aid maximum credits. All students petitioning for academic renewal should contact the Financial Aid Office before submitting this petition.

I affirm that I meet the above conditions. I also understand the ramifications of my petition for academic renewal and I accept the consequences. I further acknowledge that once granted, academic renewal may not be reversed.
