Missing Person Contact Form  
(Optional)

If a resident of the Yakima Valley College Student Residence Center appears to be missing for a period of 24 hours or more Student Residence Center staff will notify the individual(s) the resident lists below.

A resident may register one or more individuals to be a confidential contact strictly for missing persons purposes. The contact person can be anyone. Student residents are given this option even if they have already identified a general emergency contact. A student may identify the same individual for both purposes, but YVC will not assume that a general emergency contact is also the missing person contact.
