This program is a joint effort between YVCC and CWU to provide coursework for earning a Baccalaureate Degree in elementary education with a minor in TESL (teaching English as a second language) on the Yakima Campus. It provides a course of study for persons desiring to teach children in preschool through eighth grade in public schools. Students take specific coursework while earning a transfer Associate of Arts Degree from YVCC. Courses must appear on the YVCC Course Distribution list to meet requirements.
