

## YVC Mathematics Placement from High School Transcripts

YVC offers math placement for specific high school math courses for students who turn in a high school transcript from an area high school (listed below). Math placements based on high school classes are valid for the academic year directly following high school graduation.

Students who have successfully completed PRE-CALCULUS with a C or better at one of the participating high schools will be given placement into any one of the following college-level courses: MATH& 107, MATH 111, MATH& 131, MATH& 141, OR MATH& 146.

Students who have successfully completed CALCULUS with a C or better at one of the participating high schools will be given placement into MATH&151 or MATH&148.

Students will need to turn in a high school transcript to the Admissions office at YVC. All students should talk to an advisor regarding college-level math course choices.

Eligible High Schools: Davis, East Valley, Eisenhower, Ellensburg, Goldendale, Grandview, Granger, Highland, Kittitas, La Salle, Mabton, Naches, Prosser, Riverside Christian, Selah, Stanton, Sunnyside, Sunnyside Christian, Toppenish, Wapato, West Valley, Yakima Online, Zillah

Yakima Valley College does not discriminate against any person on the basis of race, color, national origin, disability, sex, genetic information, or age in admission, treatment, or participation in its programs, services and activities, or in employment. All inquiries regarding compliance should be directed to the Director of Human Resource Services, YVC, South 16th Ave. & Nob Hill Blvd., Yakima, WA 98902; or call 509.574.4670.
