

**Accreditation Evaluation Committee Report  
Yakima Valley Community College  
Commendations and Recommendations**

**2006 Interim Site Visit  
by the  
Northwest Commission on Colleges and Universities**

**COMMENDATIONS**

1. The college is commended for its institution-wide focus on student success. The attention given to meeting the needs of students is obvious at all levels of the college and the students report this attention as a major advantage of attending school at Yakima Valley Community College.
2. The institution is commended for its extraordinary ability to garner external funding to replace aging facilities and to meet the needs of its diverse student population.

**RECOMMENDATIONS**

None.
