1 WELCOME

Welcome to the Yakima Valley College (YVC) Student Residence Center (SRC)! Most college students find that the positive experience of learning to live with others enriches their lives. Your residence hall experience can prove to be as valuable as your academic experience. This is accomplished by cooperation, compromise and courtesy within the group living situation. Residents may participate in social events and regularly scheduled floor meetings. Floor meetings usually consist of an online survey sent to all residents.

Please review this manual thoroughly as you will be held accountable for its contents. The housing contract, YVC SRC housing manual, and the provisions in YVC's Code of Student Rights and Responsibilities, are available for review and inspection upon request from the Director of Auxiliary Services. These documents become the contract between you and YVC with regard to the terms and conditions of occupancy in the YVC-SRC. Changes in these documents may occur due to subsequent enactment of Washington State law or revised written notices applicable to the operation and administration of the SRC.

1.1 MENINGOCOCCAL MENINGITIS

Meningococcal meningitis is the leading cause of life-threatening meningitis in young adults in the U.S. It strikes about 3,000 people each year with 300 deaths. College students account for about 125 cases and 15 deaths. The infection is spread by air droplets like the flu and has flu-like symptoms initially. Symptoms can progress rapidly and lead to shock or death in hours. The risk for young adults ages 18-23 is 1.5 in 100,000. College students are not at higher risk than non-students, except for freshmen, particularly those living in residence halls (4.6 in 100,000). Meningococcal disease usually peaks in late winter and early spring. The disease can easily be misdiagnosed as something less serious, because symptoms are similar to the flu. The most common symptoms include high fever, headaches, neck stiffness, confusion, nausea, vomiting, lethargy and/or rashes. Anyone with similar symptoms should contact a physician immediately.

The vaccine is safe and available through your primary healthcare provider. Side effects are uncommon and usually mild. The vaccine will cause immunity in about 90% of individuals but is ineffective against one serotype of meningococcus which causes about 30% of the cases. The vaccination lasts three to five years and costs approximately \$65.

General immunization has not been recommended since the incidence of meningococcal disease is low. However, the American College Health Association recommends that parents and students, especially freshmen and dormitory residents who want to reduce their risk of disease, consider the benefit of vaccination. Students without a spleen or who are immune deficient should consider vaccination.

If you have any questions, feel free to contact your local health department or the Yakima County Health Department.

2 DEFINITIONS

For the purpose of this contract the following definitions shall apply:

2.1 BREAK

The time period between each term when classes are not in session.

2.2 CAMPUS SECURITY

All new and returning residents will complete mandatory orientation.

Before settling into your room, you will need to make a complete inventory and inspection of the room and its furnishings. The Room Check-in Condition form you will receive at check-in must be completed, signed, and returned within 48 hours of check-in. All contents of the room, including floors, ceiling, windows, doors and furniture are considered room inventory items. Care should be given to ensure a complete and accurate inventory, as you will be held responsible during checkout for any damages not listed on the sheet. Any student that moves into Student Housing agrees to take responsibility for all items on the sheet. Items that you feel do not belong in the room during your inventory should be reported immediately to the Housing Office within 48 hours of check-in.

- 3.10.12 Fire and life safety inspections will be conducted periodically for fire or health hazards. Additionally, periodic inspections can also occur depending if SRC staff has been notified of a health and/or safety concern. Residents will be given at least 24 hour-notice and must grant access for these inspections. A \$25 fine per violation can be imposed for not abiding by the received citation or verbal instructions of the inspector or college staff regarding the correction of fire or health hazards and violations. - 3.10.14 In the event of a fire, it is important to consider these procedures:
- 3.10.14.1 If you discover or suspect a fire, pull a fire alarm and leave the building by the closest, safe exit.
 - 3.10.14.2 Feel the door with the back of your hand to ensure that it is not hot before opening it. If it's hot, don't open it. If it isn't hot, open the door carefully. If smoke or heat is present, close the door and stay in the room. Seal the cracks around the door with whatever is available (a wet towel, etc.). Call "911" and report that you are trapped. Be sure to give them your room number, address and location. If your phone doesn't work, hang a sheet, jacket, etc. out of the window to attract attention.
 - 3.10.14.3 If the hall is free of smoke or heat, close your door and exit immediately by the closest stairwell. If the nearest exit is blocked, go to another exit.

- 3.10.14.4 If all exits are blocked, go back to your room. Close the door, hang something out of your window and signal for help.
- 3.10.14.5 Move quickly in a crouched position when escaping through a smoke-filled corridor. Place a wet cloth over your face and head.
- 3.10.14.6 Once outside the building, move away from the building about 1.5 times the building height, avoid standing beneath overhead electrical lines, and watch for vehicle traffic. When you reach the evacuation location, contact a staff member and give him/her as much information as possible.
- 3.10.14.7 Do not reenter the building until you have been given the OK by police, fire officials or residence hall staff. THE SILENCING OF THE ALARM DOES NOT INDICATE THE BUILDING IS SAFE TO REENTER! Never re-enter a burning building to save your personal possessions.

3.10.15 Evacuation Locations

- 3.10.15.1 Whenever the building must be evacuated (bomb threat, fire alarm), residents should be directed to the following location:
- 3.10.15.2 If safe, Hopf Hall residents assemble north of the SRC office on the Technology Complex side. If safe, Lyon Hall residents assemble on the west side of the Lyon Hall in the J/K parking lot. Do not leave the area until directed to do so. Stay away from vehicle traffic. And/or where authorities may direct individuals.
- 3.10.15.3 Mobility and hearing impaired students
- 3.10.15.4 Please notify fire/police/YVC maintenance or security of the location of permanent or temporary mobility or hearing impaired students. In case of fire, the Yakima Fire and Rescue will prioritize your location for rescue considerations. The Student Residence Center staff can assist persons with a disability in developing an evacuation plan.
- 3.10.15.5 Fire Aisles and Exits
- 3.10.15.6 The Yakima Fire Department requires that all exit aisles, hallways, and stairs be kept clear of any obstruction. Items left in these areas will be subject to impound by staff.
